

SCIENTIFIC PROGRAM

9.00 Role of systemic therapy

Moderators: Th. Gruenberger, Vienna
T. Chapelle, Antwerpen
N. Jabbour, Louvain-en-Woluwe

What the surgeon should know about systemic therapy in CRLM?
M. Simoens, Antwerpen

Is there a role for intra-arterial therapy / isolated liver perfusion?
O. Detry, Liège

Impact of chemotherapy on liver surgery: hepatic toxicity
C. Hubert, Louvain-en-Woluwe

Impact of chemotherapy on liver surgery: vanishing metastases: how to deal?
V. Lucidi, Bruxelles

10.30 Coffee break

11.00 The limits of resection

Moderators: Th. Gruenberger, Vienna
M. Janssens, Merksem
V. Lucidi, Bruxelles

The oncological limits.
A. Dili, La Louvière

The volumetric and/or functional limits
T. Chapelle, Antwerpen

Role of portal vein embolisation and 2-stage (+ALPPS)
F. Berrevoet, Gent

Role of RFA, stereotactic and other local therapies (in combination with resection)
B. Van den Bossche, Aalst

12.30 Lunch

13.30 Sequences in CRLM

Moderators: Th. Gruenberger, Vienna
F. Berrevoet, Gent
A. Dili, La Louvière

Case: liver first
Fellow of P. Leyman, Antwerpen

Liver first: can we define the indications?
P. Leyman, Antwerpen

Case: simultaneous
F. Huysentruyt, Leuven

Simultaneous resection of liver and primary: when?
B. Topal, Leuven

14.30 Invited lecture: History and future in CRLM (+ liver transplantation in CRLM?)

Th. Gruenberger, Vienna

15.00 Coffee Break

15.30 Future or science fiction in CRLM?

Moderators: Th. Gruenberger, Vienna
O. Detry, Liège
B. Topal, Leuven

SIRT or external beam radiotherapy: curative or palliative?
P. Flamen, Bruxelles

Cytoreductive surgery in CRLM: will we accept R1 or even R2 resection?
V. Donckier, Bruxelles

Peritoneal carcinomatosis and CRLM: HIPEC and liver surgery?
J. Weerts, Liège

Winner of the companies' award, drinks and closure

Award of company contest will be the latest iPhone available in Sept 2014

**Belgian Section for Hepato-Biliary and
Pancreatic Surgery (BSHBPS)
of the
Royal Belgian Society for Surgery
(RBSS) asbl-vzw**

FOURTEENTH POST-GRADUATE COURSE

**Colorectal liver metastasis:
the challenges anno 2014**

Friday, 10th October 2014

Lamot Congress Centre
Van Beethovenstraat 8-10
2800 Mechelen
www.lamot-mechelen.be

President :
Thomas Gruenberger
(Vienna, Austria)
