

ICSEM PROJECT'S PARTNERS

PRELIMINARY REMARKS

Partners have been classified according to the country they will cover in their research (rather than according to the country where their institution is based).

Some Partners will cover more than one country; in such case, they are classified under the country that will be their main country to be covered.

Confirmations of additional countries to be covered along the lines of the proposed work plan for the first WP are welcome.

For more information about the ICSEM Project, see <http://www.iap-socent.be/icsem-project>.
