## Abstract

The presentation will illustrate the efforts of the University of Liège in that new international trend: **valorizing good teaching** through :

- portfolios,
- training the teachers (certificates and degree granting),
- helping faculty implement pedagogical innovations,
- deploying a web portal with multiple tools serving autonomous improvement, notably in eLearning.

Could some of those tools be shared, in a Charter perspective?

**Zoom : Lancement du portail IFRES des encadrants de l'ULg**

Nous sommes heureux de vous présenter le nouveau portail IFRES des encadrants de l'ULg. Il vous propose de nombreuses informations utiles à votre pratique d'encadrant et à votre formation.

Il vous a été présenté de manière officielle lors de la séance du 12 octobre dernier organisée aux Amphis de l'Europe B4 - amphithéâtre 304 de 17h00 à 20h00 et consacrée à la **présentation de l'offre ULg en accompagnement pédagogique des enseignants et des étudiants**.

Les informations sont renouvelées de façon très régulière, n'hésitez pas à consulter régulièrement ce portail !
